In accordance with the foregoing, the specification and FIG. 1 have been amended.

Pending claims 1-7 have been allowed.

In accordance with the Examiner's helpful comments, the specification has been amended to correct for typographical errors. Withdrawal of this objection is respectfully requested.

Similarly, FIG. 1 stands objected to for a typographical error, which has been corrected in the attached replacement drawing.

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
